

# Flower farms of Ebrana

## Product

Thanks to the lovely nature of Ebrana, we are able to grow the most beautiful flowers. We have many different varieties, they come in every color and every scent. Because of the quantity that grow in our country, we decided to make them our trademark

We want to make sure every inhabitant of Ebrana can brighten up their home with our gorgeous flowers.

## Price

The prices of the flowers varies. Each kind has its own price. It is a given that the more instinct or rare kinds are more expensive. So a Bouquet of flowers can vary from 5 ebrans to 40 or even a 100. It also depends on who the seller is.

## Place

Some of the flowers grow in the wild, but we also have flowers farms where we breed them ourselves

The people of Ebrana can buy them in the little flower boutiques. But each Sunday people are able to buy some fresh flowers on the flower market.

Those can be found in every little village. The flower market is a beloved tradition that dates back from the 13th century

## Promotion

Each year Ebrana organizes the big annual flower parade that takes place in our capital Agora. It takes place on the first day of spring. Big floats are decorated with millions of flowers. The most beautiful float in our lovely queen's opinion wins a Prize.
